

# Indiana Rural Summit

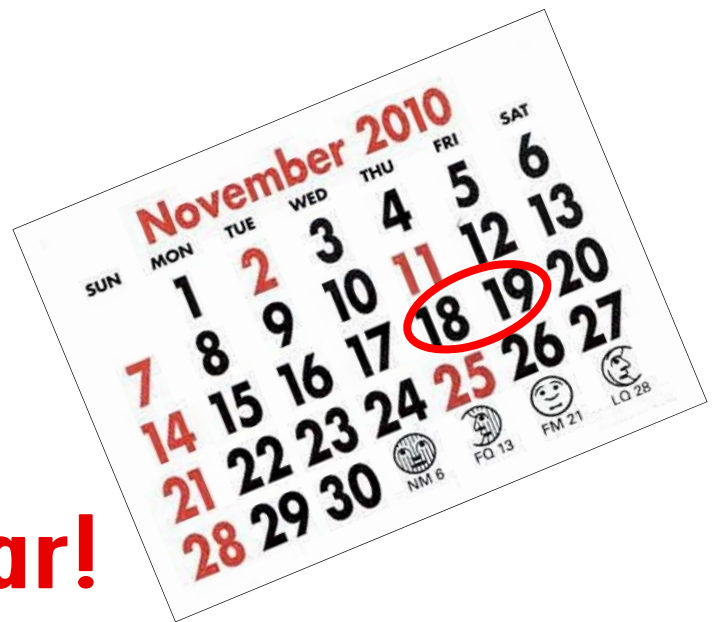

Rural Innovations: Building Community Capacity & Resiliency

**November 18 & 19, 2010**

**University Place**

**Conference Center and Hotel**

**Indianapolis**

**Mark your calendar!**

Hoosier leaders and citizens will gather together at the **2010 Indiana Rural Summit** to develop creative ways of advancing our rural communities.

Whether preparing your community for future investment or developing technological advancement for community development, the **2010 Indiana Rural Summit** will better prepare you to return to your community ready, willing and able to aggressively promote and pursue local economic development.

Additional information will arrive soon!
